From the Principal's desk

What a great start to the year we have had! It was so exciting for both staff and students to return last week. The smiles and happy greetings of both staff and students confirmed that we were all glad to return. All of our classes are very settled and working really hard already.

New Staff

This year we welcomed three new staff members:

Assistant Principals– Karina Brown and Ben Smith

Classroom Teacher– Taylor Pentecost

We hope that they soon feel part of the Leppington community and enjoy their time here.

Classes for 2022

This year we have commenced with 10 classes but due to the growth in our area this could change during the year.

School Leaders

Our new student leaders were announced at Presentation Day last year.

They are:

School Captains—Bunmi Fagbemi and Rohind Pandithurai

Vice-Captains—Elizabeth Charles and Annabelle Abboud

Congratulations to our new school leaders.

They will be presented with their badges at the Induction Ceremony in Week 5.

Meet the Teacher

Unfortunately we are unable to conduct our usual

Meet the Teacher afternoon due to COVID restrictions.

However over the next few days all teachers will send out an information poster introducing themselves.

Class Dojo

Now that all classes have been finalised class teachers will have invited parents to join their class dojo. This is the online platform that our school uses to communicate with parents. All notes, newsletters etc are posted on Class Dojo and you are able to communicate with your child's teacher

Kindergarten 2022

Last Thursday we also welcomed 38 new kindergartens and they have settled in very well as if they have been here forever. Already they have made friends, tried out the playground equipment, played in the sand pit, enjoyed time in the play hub and in class have already begun their learning journey. I have also had them come to visit me in my office and I look forward to seeing their work, listening to them read or even reading their stories in the future. It always amazes me how much kindergarten learns in a year.

Uniform News

Thank you to parents for ensuring our students have returned looking so fantastic in their uniforms. It is a school expectation that students wear the correct uniform every day as it shows respect and pride in our school. This includes black shoes except on sport days, the school hat and the school jumper and jackets.

All of our uniforms are sold through the school office, can be ordered through the Spriggy school App and will be given to your child to bring home.

Crunch & Sip

Students are encouraged to bring a piece of fruit or vegetable to eat at this break, usually at 10 a.m.

Please ensure that your child has some fresh fruit or vegetable to eat at this time.

Library News

Although our library is not yet completed with our improvements our students are able to borrow books. Students have been advised as to their library day and that they need a library bag to carry their books home. Please encourage your child to borrow each week.

At the end of last year we still had a large number of library books missing. Please have a look and see if your child still has overdue books. It is really important that library books are returned so that other students can borrow them.

School Improvements

Over the holidays we have added many improvements to our school environment. Many of the changes we had scheduled to be completed earlier but due to COVID were delayed. All of our changes have made significant improvements to our school environment. Our library has undergone enormous renovation with the ceiling painted white instead of the dark wood, new shelving, new carpet and hopefully new furniture in the next couple of weeks. We have also organised for a new playground to be installed beside the library later this year.

Our students love our new changes!
